REPORT**

**Saint Xavier**  
UNIVERSITY

Saint Xavier University recognizes the thousands of alumni, businesses, foundations, organizations and friends who, through generous donations of time and money, support Saint Xavier University in our goal to improve, enrich and support the educational experience of our students.

## financial report

The independent certified public accounting firm of Clifton Larson Allen LLP of Oak Brook, Ill., audited the accompanying statements of financial position of Saint Xavier University as of June 30, 2014, and the related statements of activities and changes in net assets and cash flows for the year then ended.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In a letter to the Saint Xavier Board of Trustees dated Sept. 25, 2014, the firm wrote that the 2014 financial statements “present fairly, in all material respects, the financial position of the University as of June 30, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.”

## GUILD MEMBERS

The Saint Xavier Guild was founded to honor alumni and friends who are ensuring Saint Xavier will have the financial resources to continue its rich tradition of academic excellence for generations to come. The Guild is open to all those who provide support for Saint Xavier through bequests, charitable gift annuities, charitable remainder and charitable lead trusts, life insurance, retirement plan assets and other vehicles. Gift size is not a membership factor. Indeed, the amount of the gift and the method of giving are determined by your own motivations, personal circumstances and other special interests.
